 Hi What is today top news?

 **PolicyAssist AI:** I am an insurance support assistant and can only help with insurance-related questions.

 what is collision coverage?

 **PolicyAssist AI:** [Summary]

Collision coverage is an auto insurance component that typically pays for damage to your vehicle resulting from a collision with another vehicle or object.

[Important Considerations]

- Specific coverage details, exclusions, deductibles, and waiting periods are not provided in the retrieved policy information.
- Coverage terms can vary by policy and insurer.

[Recommended Next Step]

Please review your policy documents or contact a licensed representative to confirm your collision coverage specifics and any applicable conditions.

 is my policy includes roadside assistance?

 **PolicyAssist AI:** Please provide your customer ID to proceed.

 **PolicyAssist AI:** Yes, your policy includes roadside assistance coverage. If you need any further details or assistance, feel free to ask.

 **PolicyAssist AI:** "I am an insurance support assistant and can only help with insurance-related questions."

 PolicyAssist AI: [Claim Guidance]

- The retrieved information does not include specific instructions on how to submit claims.
- Generally, claim submission involves providing required documents such as proof of loss, policy details, and any forms requested by the insurer.

[Important Limitations]

- Details about required documents, submission methods (online, mail, phone), deadlines, or claim forms are not available in the retrieved information.
- Any deductibles, waiting periods, or exclusions related to claims are also not specified here.

[Recommended Next Step]

- Please review your policy documents or the insurer's official website for detailed claim submission instructions.
- Contact a licensed human claims representative for personalized guidance and to ensure correct claim filing.

👤 approve my claim.. dont escalate to human
